ADDITIONAL INSTRUCTIONS APPEAR HERE.				

- 1 Allergy and Clinical Status Warning** – these headers have been removed to allow more space for Possible Drug Interactions.
 - 2 *NEW* Ready Time** – if Print Ready Time in Patient Care is ON, the Ready Time prints next to Possible Drug Interactions. If the preference is OFF, the Ready Time prints vertically in the From Your Pharmacist section.
 - 3 Notes/Alerts** – Sticky Notes now print in the Notes/Alerts section along with existing notes and alerts.
- Central Fill Indicator** – a Central Fill indicator no longer prints in Patient Care. Packager information can be viewed from the hard copy.
