- 1 ***NEW* DLG** – If Dialogue Required is flagged for a prescription and it hasn't been completed yet, this indicator prints on the privacy label.
- 2 ***NEW* Refrigeration** – indicates if the drug is refrigerated.
- 3 **Qty Left/Rep** – Qty Left prints instead of Rep if the **Use Qty Left for Repeats** preference is ON. Qty Left always prints if a partial fill is left. In Manitoba, Qty Left always prints.
- 4 **Auto Refill** – indicates if the prescription is enrolled in Auto Refill: A = Enrolled, AD = Declined, AP = Parked.
